SSS & FINANCIAL AID FOR CAPITAL DAY SCHOOL

While this school year is only half over today, it is time to plan for next year. If you intend to apply for financial aid, you should be advised that the peak season for the NAIS SSS (School and Student Services) financial aid application processing has begun. SSS offers extended service hours to support you as you fill out the application. They are Monday – Friday, 9 a.m. - 11 p.m. EST; Saturday, 9 a.m. - 8 p.m. EST. These service hours will continue through March 1, Capital Day School's deadline for applying for financial aid.

You may apply on-line at <http://sss.nais/>. The SSS customer service center looks forward to working with you and your family throughout the application season. Capital Day School uses SSS to provide an objective methodology for calculating a family's ability to contribute to educational expenses.

Capital Day School offers financial aid to assist qualified students who otherwise would be unable to attend. All grants are made on the basis of documented financial need. Financial aid determination is based on need, the number of applicants, and the recommendations of the SSS. All financial aid applications and awards are kept entirely confidential. Families of financial aid recipients will be expected to pay a portion of annual tuition. Also, additional expenses including fees, lunch orders, Extended Day Care, and field trip expenses are the responsibility of the applicant's family.

Capital Day School does not discriminate on the basis of race, sex, color, religion, or ethnic origin in the administration of its education policies, admission policies, employment policies, financial aid awards, athletic programs, and other school administrated programs.
